

Systems Administrator

Status	Full Time
Location	Calgary, Canada
Salary & Benefits	Competitive
Start Date	July 2021

About the Job

MyHEAT provides innovative solutions to help make our world more energy efficient. We are looking for a talented *Systems Administrator* with a passion for all things IT to help us support our infrastructure, services, and products.

The ideal candidate will be able to support a multidisciplinary team with unique requirements in a primarily Linux environment. Experience with handling large amounts of data, cloud computing, networking, and provisioning/configuration management are all assets.

Tech We Like

Cloud computing, serverless, deep learning, Linux, remote sensing, open source software, infrastructure as code

Tools We Use

AWS, Google Workspace, Ubuntu, LDAP, Python, Proxmox, Ansible, Django, Flask, MongoDB, PostgreSQL, GDAL, QGIS

Required Qualifications

- Bachelor's degree (or equivalent) in computer science, engineering, or another relevant field.
- Experience with programming and scripting (e.g., Python, JavaScript, Bash).
- Experience deploying and managing Linux servers in cloud and on-premises.
- Excellent written and verbal communications skills for both technical and non-technical audiences.

Preferred Qualifications

- 5+ years of work experience in a relevant position.
- Demonstrable ability to implement infrastructure as code and use a software version-control system.
- Be able to support Windows, Linux, and Mac clients.
- Proven ability to provide network device support (routers, switches, firewalls, etc.)
- Interest and ability to learn new technologies.

Responsibilities

- Work with the tech teams at MyHEAT to build and support our services & products.
- Help cultivate innovation.
- Manage IT project priorities, deadlines, and deliverables.
- Handle user accounts and IT assets.
- Identify and implement relevant security best practices.

To apply, please send your resume to careers@myheat.ca. We look forward to hearing from you, and we thank all applicants for their interest.
